### Learning Project - to be done throughout the week

Our theme for our learning project this week is for your child to learn more about different charities; looking at what charities do and how they help everyone.

- Create a presentation on a U.K charity – Save The Children, Oxfam, Lumos. Find out about who they help around the world.
- Can you create a timeline of when different charities were started?
- Create your own charity:

What cause would you create a charity for?

Who would you help?

How would you raise funds?

What is your logo?

What is your manifesto?

What is your charity called?

What makes your charity special?
